Business Details regarding envelopes :

Please provide a Word or Excel LIST in a simple 14 point font EXACTLY the way you want the address to be written.

Add 10% extra envelopes for address changes, additions and corrections.

Additional lines in the address include a person's name, address information, such as "Apartment 5A", or a foreign country's name.

Same color spread ZIP code is 25 cents.

With a dot or decorative mark in a different color, 50 cents.

The usual envelope format is flush left or slightly indented, leaving an uneven "rag" right edge. Centering adds **\$.50** per envelope.

OTHER CALLIGRAPHY INFORMATION AND COSTS :

I am happy to mail samples according to your style preferences to show you letters formed by an artist, not a computer.

Local Clients, you are invited to visit my studio, view my lettering, discuss your project, explore possibilities, and take home a sample. Original layout and lettering for invitations, certificates, poems and such are each unique. My basic charge is per line and according to style.

Custom ink colors and all specialty pens may add several dollars, usually **\$10-\$25**

Escort cards - cost slightly more than place cards for the table information to be added. **\$.60 - \$2.50**

Table number cards cost several dollars determined by many factors. We will discuss your design to determine the price. **\$2 - \$10**
